Dear Member,

As we previously notified you 25 March 2021, we are pleased to remind you that your National Guard State Association State Sponsored Life Insurance (SSLI) coverage and premium transitioned to the SSLI group term plan underwritten by MetLife. This new group life insurance plan became effective 1 April 2021, and your guarantee-issued coverage remains the same.

You may receive a standard coverage lapse notification from your previous provider. Your SSLI coverage is in effect with MetLife, thus no action is necessary unless you choose to keep your previous plan on a direct billing basis.

Your certificate of insurance can be downloaded at militarybenefit.org/NGcertificate. If you prefer to have your certificate mailed, please contact the program administrator, Militia Administration Services (MAS) at 1-800-633-8333.

Also, if you need to update your plan beneficiary information, please download and fill out the MetLife beneficiary form at militarybenefit.org/beneficiary and mail it in the enclosed envelope.

We're honored to provide you the protection and peace of mind you and your loved ones deserve. Please contact MAS at 800-633-8333 with any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Reyna".

Mike Reyna, Col, USAF (Ret.)
President, MBA
