

National Guard Association of Minnesota Annual Corporate Partnership Registration 2023

Greetings, Sponsors!

As a Corporate Partner, your financial support assists the National Guard Association of Minnesota (NGAMN) in *promoting the relevance, readiness, and modernization of the National Guard, improving the quality of life of our members, and supporting state and national policies that advance the security of the United States.*

Examples of Current Legislative Priorities and what your Support Means to our Organization and Members:

- Zero Cost Tricare Health Insurance • Tax Incentives for Guardsmen and their Employers • Equipment Funding

For a complete list of legislative priorities and accomplishments, go to www.ngaus.org

Formed in 1978, the NGAMN is proud of its 45-year history of working for the betterment of our National Guard Soldiers, Airmen, and their families who protect our nation and provide vital assistance during state and national emergencies such as fires, floods, and COVID-19.

The NGAMN is honored to be recognized by the IRS as a 501 (c) (19) Veteran nonprofit organization that serves more than 1,800 active and retired National Guard officers and warrant officers throughout Minnesota. To achieve this nonprofit designation, at least 75% of the organization must consist of active or retired United States Armed Forces members who have served our nation during a period of war. Our main goal is to serve *only* Veterans.

The NGAMN offers five Corporate Partnership levels and other partnership opportunities throughout the year—all **tax-deductible**. Our association would greatly welcome your support at any level. Please see our NGAMN Corporate Partnership Benefits breakdown for additional information.

To select your level of support, please register online or mail this form with payment to NGAMN to the address listed below and email a copy of your Corporate Partnership Registration form to Director@NGAMN.org.
